Title of the training: Prevention of workers' health and safety in the HoResca sector.

This training helps to prevent risks related to workers' health and safety (OSH) in the HoResca sector.

| | | |
|------------------------|---|----------------------------------|
| Reference: | Category: | Duration: |
| Trainevo-022022-SST-19 | Health & Safety | 4H |
| Language(s): | Training organization: | Nb of participants (min): |
| French |  | 6 |

Objective(s)

- Know the challenges of risk prevention related to the health & safety of workers (OHS) of HoResca.
- Know how to identify OSH risks related to the activity of workers in HoResca.
- Be able to implement actions to prevent identified risks.
- Take part in the continuous improvement of working conditions.

Program

- 1-The issues of workers' health and safety (OHS) in HoResca
- 2-The regulatory framework relating to the prevention of occupational risks
- 3-OSH risks identified in HoResca's activity
- 4-Preventive actions to be implemented to control the identified risks
- 5-Monitoring of performance in terms of health & safety of the company
- 6-Continuous improvement of risk prevention

Method

The participatory presentation, integrating a methodology and implementation tools, facilitates the acquisition of skills.

Target audience

All employees of the HoResca activity.
